EUROPEAN TOWER HUNTS

Tower hunts start in the morning around 9:00 a.m. This is the ultimate hunt for the hunter with or without a dog. Birds are released from a tower as hunters rotate through 18 shooting stations on a 240 acre shooting preserve surrounded by cedars. 10 birds are released for each gun. After the European shoot is over, hunters have the remainder of the day for clean up hunting. All birds are cleaned and packaged.
